Opportunities for inclusion of forcibly displaced populations in social protection

Danielle Trotter

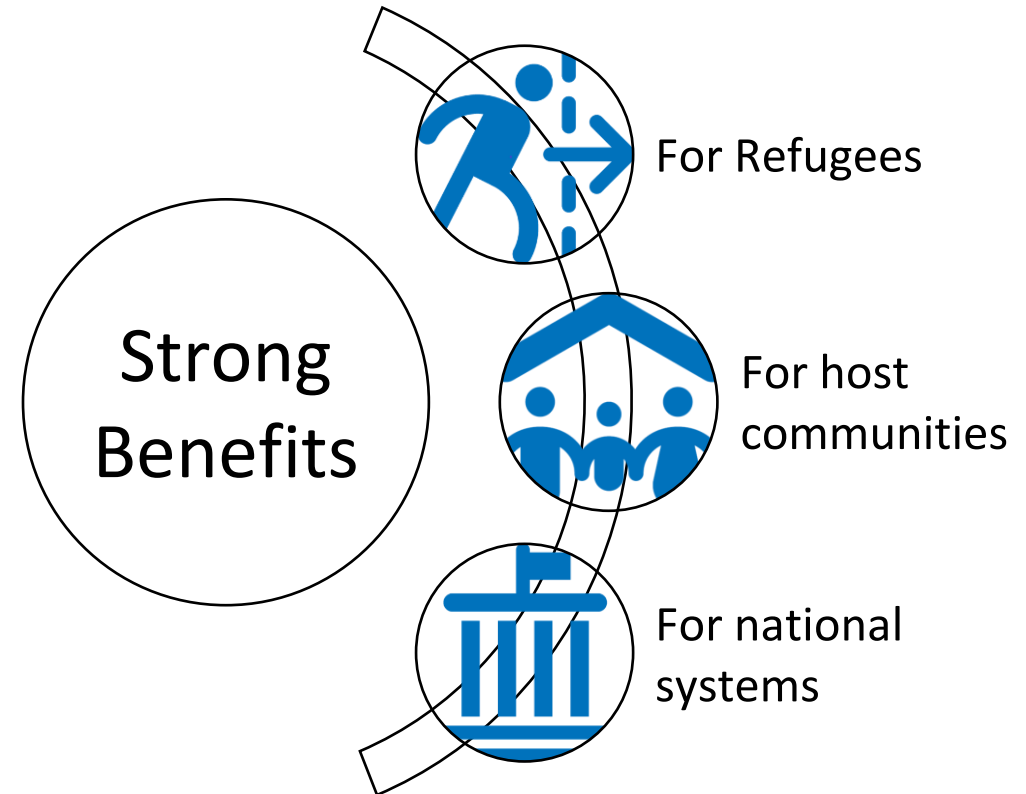

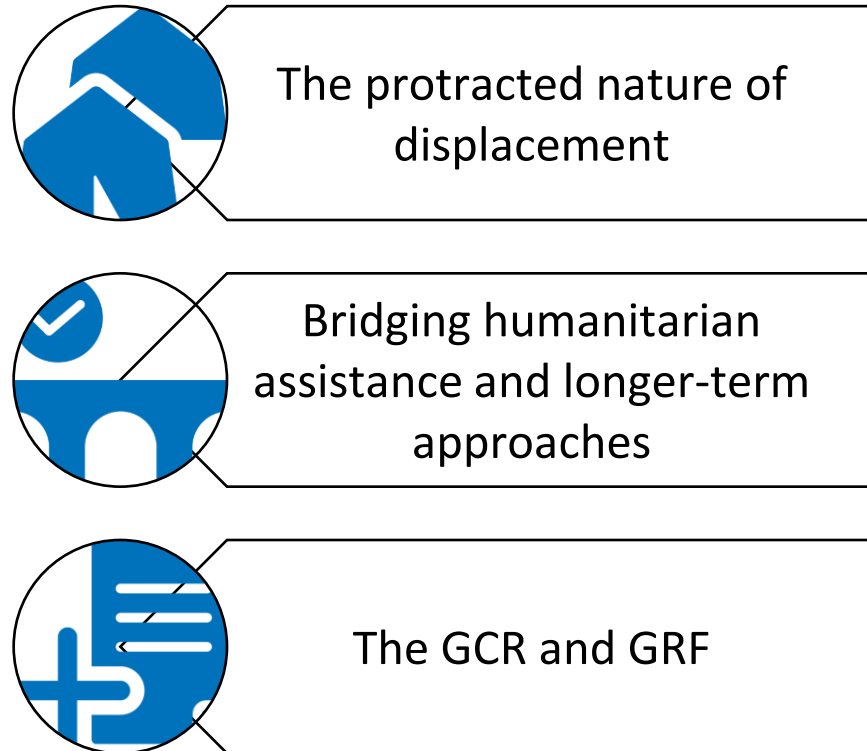

Senior Social Protection Officer - UNHCR

2023
**KENYA
SOCIAL PROTECTION
CONFERENCE**

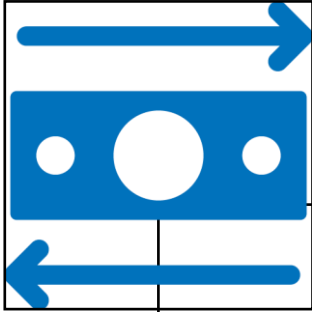

Why are we talking about social protection for forcibly displaced people?

Challenges to inclusion

of Needs

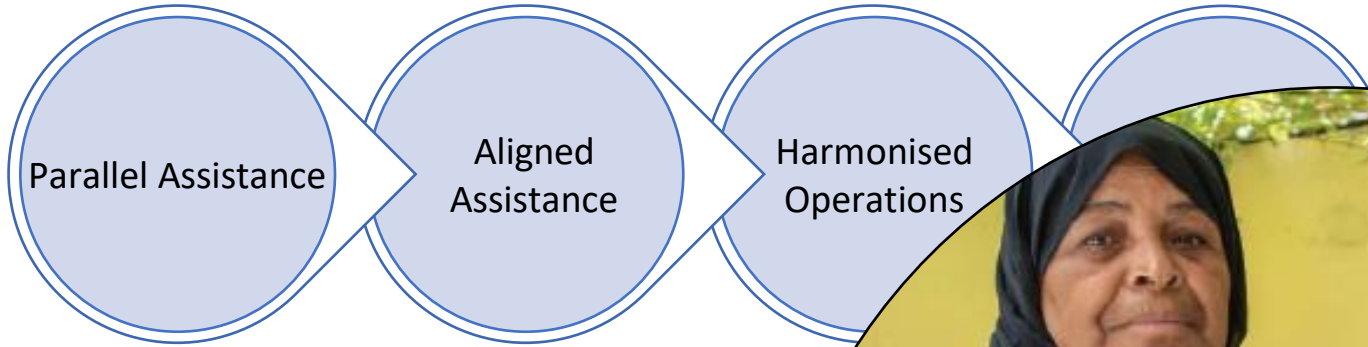

- Pairing social assistance support with:
 - Contributory social protection
 - Stronger access to employment/ livelihood opportunities
 - Top-ups with humanitarian support

financing

- Reframing the challenge of financing as an opportunity:
 - Additional resources to support refugee inclusion strengthens the whole system
 - Refugees not just as beneficiaries but also contributors

Progressive Pathways to inclusion

Example of inclusion in Practice

Mauritania

- 15,700 refugee HHs in social registry and eligible for SRSP
- 7000 refugee HHs receiving regular social assistance
- Linkage to primary health subsidies
- Pilot livelihoods and labour opportunities programme

Where are we?

69,426 refugees covered by NHIF

Aligned pilot – 70+ cash transfer for urban refugees

Haba Haba inclusion (ongoing efforts)

Refugee inclusion into the ESR (ongoing efforts)

Where do we want to be?
